**Treasurers report**-Kevin went over his report. Our best income is from the button sales. The Taco in a Bag did not do too well. Report accepted as read.

The re-draw for button winners was on August 17<sup>th</sup>, winners posted on the Website.

**Suggestions**: Have winners sign when prize is picked up, so we will know who won what. Have picture of grand prize winner put in paper.

**Farmers Market** is up and running and will run every Saturday morning until produce is gone.

We will try to have a sign made to set out by the Highway. Louise Cook made 2 smaller signs to set up by the Community Center. LaNell Schlosser has been setting up on Saturdays. Gladys Wunderlich and also another vendors have set up. LaNell will be collecting the 5% setup fee.

Clem suggested to have 2-4x8 permanent signs made that could be set out by the highway during Tornado Days. He also reported that the Ram Auction has a sign for sale, similar to the Lion's sign. He will bid up to \$250.00. R.O. Luedeke will let us store the sign in one of his sheds.

Mid Country Pullers are set for the tractor pull (garden tractors, ATV etc) for next year. It will cost about \$350.00. They will supply the prizes or trophies.

Suggestion: Have down town Vendors pay for their spot, like the other crafters have to pay.
