**Minutes of Dec 15th, 2011 – Community Center**

**In Attendance** Skip Timmins, Clem Suchy, Kevin Lee, Dick Kuehn, LaNell Schlosser, Louise Cook & Marcia Luedeke.

**Meeting** called to order by Skip at 7:10 – Minutes were available and accepted.

**Treasurers report** The Biscuit Breakfast showed a <-8.72>. Some of the Team members purchased leftover food to show a profit. Motion made/seconded to approve report, passed.

Louise made a motion to purchase 2 large roasters. One will be from Walmart and she will check for a second one with a commercial grade. Motion was seconded and passed. Gen may have a large roaster that she would donate.

It was brought up that we should check with “The Cozy Cup” (Alice Ritter) on her prices for the Biscuit/Gravy, and also check on the quality of the food.

Louise suggested that we raise the price for the breakfast to \$7.00.

After much discussion as to have another Biscuit Breakfast in February, the idea was tabled.

**Suggestions:** To have a breakfast in the Spring, when the Farmers Market starts up.

Have an egg bake and sweet roll for a breakfast.

Have a Chili feed in the Fall – and invite the Blizzards.

These ideas are for you to think about and maybe respond with your ideas.

Suggestion was made to seek out the area businesses for donations when we have an event.

Also to have donation items for the food shelf at one of the events.

**Election of officers:** Motion made for Clem Suchy, President- Skipp Timmins Vice President.

They accepted. Motion was seconded & approved. Motion was made and seconded for Marcia Luedeke to continue as secretary she accepted. Motion - approved.

Clem announced the fish fry coming up March 2<sup>nd</sup>, put on by Smoky Timbers & the School.

The Miltona Directory needs to be updated. Dick suggested we check to see if it is mandatory to update every 2 years or if we can wait longer.

We need to find someone willing to do our posters, as the ink cartridges are very costly.

Kurt and Clem will start working on the 2012 Tornado Buttons about January.

Suggestion: Have down town Vendors pay for their spot, like the other crafters have to pay, LaNell & Marcia reported that the prices ranged from \$10.00-\$50.00 a spot.

Clem brought up the idea of possibly closing off the street from the Lumber Yard to the Fire Hall during Tornado Days, so more games and things could be offered on the street. Kevin would check with the grocery store and lumber yard if they would be ok with that.

We wish Dianne & Dwight Drone all the best in their new adventure.

Meeting adjourned at 8:02 a.m. Respectfully submitted, Marcia Luedeke
