Why we love Minnesota

When it's Christmas time in Minnesota and the gentle breezes blow,

About 70 miles an hour and it's 52 below.

You can tell you're in Minnesota 'cause the snow's up to your butt

And when you take a breath of Christmas air your nose holes both freeze shut.

The weather here is wonderful so we think we'll hang around

We could never leave Minnesota, 'cause our feet are frozen to the ground!

NEXT MEETING, THU. FEBRUARY 19, 2015, 7:00 a.m. Com.Ctr.

Respectfully submitted, Marcia Luedeke-Secretary- Have a great Thanksgiving and a Wonderful Christmas.
