Thoughts & Suggestions for Wed, August 2<sup>nd</sup> meeting:

**Dedication of the VFW Memorial** Saturday, July 21<sup>st</sup>. Pattie Wicken said a few words Luedeke and read a poem, followed with “The Star Spangled Banner” by Shelley, Quincy & Marcia Luedeke. The Memorial Monument is just Awesome!!

**Cornerstone Martial Arts** demonstration – This actually got watched this year as the crowd was still around from the memorial. The kids did a great job! I hear several comments like” What a neat demonstration.” And “Have they been and done this here before?”

**Parade** Started with The National Anthem. It was a really nice parade. Rita Samuel had called the parents of the kids whose drawings were used for the buttons, to see if they could possible ride in the extra convertibles during the parade; they said no.

Shan Hendricks our DJ, did a wonderful job of announcing.

**Farmers market** - LaNell Schlosser was set up for Saturday, July 21<sup>st</sup>- from 9-12.

**Crafters** and the Spruce Hill Foundation bake sale at the Overby Shed, suggested to have sales only on Friday & Saturday. VFW had their bake sale at the VFW. Some of the crafters said they didn’t do too well. But the VFW and SHF bake sales were sold out mostly by noon or so.

**Trash** Luke Luedeke had been hired by the City to pick up trash. I think he did ok.

**Kids tractor pull-good., ATV pull** at the Overby parking lot. B&H furnished the Skid-Loader for the pull. Seemed like we had quite a few pullers and viewers.

Ken Thiele checked with Doug’s Kettle Corn - not available.

**Bingo:** Esther Lutheran Church had Bingo in the Lumber yard drive through..

**Bean Bag** -I seen several players having a good time.

Also the dunk tank went over good, especially when Dennis Hulstrand was the victim.

**FRIDAY JULY 20<sup>th</sup>** things got set up. Those guys really worked hard-a lot of sweat!!

**SUNDAY** Church service moved to Faith Lutheran. Kevin on the piano & The Parkers Prairie Players Band both did a fantastic job. Pastor Stockman, gave the message, Solo-Joshua Stockman “I Can Only Imagine” and “God Bless America”, The choir sang “The Battle Hymn Of The Republic” and “It Is Well With My Soul”. **Wow!!** What a good job everybody did!. I heard several compliments on the whole service.

Miltona Science School had a 5K run/walk-which was well attended.

Respectfully submitted, Marcia Luedeke

*\*God bless America! My home sweet home!\**
