The ATV pull went good, rent was \$50.00. We will check if there could be a beer stand, also try to find some bleachers.

The 5K run put on by the school was a good idea and well attended. Maybe again next year?

The Bean Bag tournament went over good. Suggestion: charge \$5.00 a couple and maybe start like 9-10:00 a.m.

Do the Farmers market also on Friday night-LaNell will think about it. The Farmers Market paid their 5% = \$61.35-(Thanks)

There has been some interest in a Flea Market, not only during Tornado Days, but sometime during the weekdays.

Do we want more food vendors?

Dunk tank was good. Thanks to Dennis Hulstrand..We'll do that again next year and maybe get some of the major players, a school teacher, the Mayor, etc.

Ask Joe Korkowski from KXRA to be Grand Marshall.

Kevin made a motion to raise the pay to Luke Luedeke for trash pickup to \$50.00 from Team and \$50.00 from the Firemen for 2013. Seconded & passed.

Instead of a baseball game maybe have a Whippelball game.

Curt made a motion to possibly have the Church service location, set to be at Faith Lutheran each year. Kevin will get the ok from the church board.

We will need someone to take over the parade and we need MORE help everywhere!!

There will be meeting sometime in September for all groups, VFW, Firemen, Lions, Team, and all the Business people.

Respectfully submitted, Marcia Luedeke
