Tractor Pull- ask for sponsors – Ken Thiele volunteered to donate \$100.00 asking others to match. The businesses down town will be approached. Dennis will donate the use of his skid loader, the Bank sponsors the small tractor pull. Last month a suggestion was made to check on a beer stand and maybe try and find some bleachers. **Tent:** The firemen will be asked to help. Have fliers done early so they can be given to the Skid puller in advance and he could have them available at his pulls.

HALLOWEEN PARTY OCT 31. Set up the day before, Tuesday Oct. 30th. Lisa Pikop & a few others from the Miltona Magnet School will help with decorations. There will not be judging of customs; just a parade with customs and everybody gets a certificate for a free ice cream cone.

Miltona Magnet school will order the prizes, candy & make donation cans to be set up in various business places up town. Two teachers plus one parent from each class, will be available to help.

A group meeting of Firemen & Team; date & time for April will be set up by the Team at our March meeting. We will be having other group meetings as we see fit.

A motion was made by Curt seconded by LaNell to have some representatives from the Team, to attend the City Council meeting to discuss the blocking off the Main Street during Miltona Tornado Days and address the concern about safety for the children.

Skip asked for help for with the telephone calls on the parade set up. Curt Lind volunteered the Funeral Home as a main base for calls. He and Barb will take and make the calls needed.

Ken Thiele suggested putting up a sign by the tanks, advertising our "Miltona Veteran Display". He has contacted the State for permission; it would cost about \$275.00. But if the sign would be on private property, there would be no cost.

Joe Korkowski from KXRA has accepted our invitation to be Grand Marshall for 2013.

Instead of a baseball game maybe have a Whippelball game.

Respectfully submitted, Marcia Luedeke

Peace is seeing a sunset and knowing who to thank
