

# **TEAM MILTONA–NOV. 19th -2015 Meeting Notes**

*July 15, 16, 17<sup>th</sup> - 2016 Tornado Days*

## **“ HAVE A HAPPY AND THANKFUL THANKSGIVING”**

Meeting called to order by Carol Steidl at 7:00 a.m. Attendance: Kevin Lee, Kurt Lind, Skip Timmins, La Nell Schlosser, Dennis Hulstrand, Alice Ritter & Marcia Luedeke.

Discussions on the Halloween Party-changes. Alice suggested having some kind of entertainment instead of all the games. Like maybe a magician, etc.

Idea from Denise: Give out “tickets” as kids play the games, they can redeem the tickets at the store and pick out their prizes according to how many “tickets” they won.

Another suggestion was to do Trunk & Treats with The Team & other organizations parking out in the parking lot with their treats. Music is always good. We need ideas.

It was agreed by all to do the Harvest Pack again next year. Maybe we can call on Pastor Riggle to organize again. He did a suburb job this year. We had a wonderful turn out. Total donations came to \$2217.43!! Our goal was \$2000.00.

Treats for Troops, had about \$160.00 donations plus some other things & A Veteran!!

2016 TORNADO DAYS: We will not be selling T-shirts as we had so many left over. May be having vests or aprons with “Team Miltona” on the front or back, for the Team to wear during MTD so people will know who we are. Alice volunteered to check on this.

Kurt suggested we up our buttons to 1250 and he will check on the cost to order 1500. Kevin brought up to change the font for printing the numbers on the buttons. Kurt will talk to the Independent about that.

Carol has updated the info on our web site “Miltona .Org” This should be updated about every 6 months.

We’d like to get our Welcome Wagon back on tract..of course we need someone to run it. How about Clem, Kurt and Kevin? Think about it...

The idea of doing a directory again was cancelled as everyone gets their info from their I-phones and computers.

If you come up with an idea, jot it down and bring it to a meeting. THANKS
